

Q4 Online PAC “Townhall” Meeting Minutes 4/25/24

- Welcome: **6:00pm**
- What is a Charter School? Public Perception?
6:01pm

Michael (Unverified) 6:08 PM

M Sorry, no microphone. There was a new public school recently opened (maybe 2 years) prior to my son's start of kindergarten, we searched reviews and found that the charter schools which were miles away provided more options and we choose to drive our son there until COVID hit. I know that not everyone has the time to do the research and just send their kids to the closest school

M having a tutor/mentor/coach is a great idea - even if the time is not spent entirely on schoolwork, but encouraging engagement and making process on their own school time. My son would much prefer to text (or discord message) about school that a traditional classroom
