how a school might qualify and how all 3 Elev8 charters qualify as DASS schools. BJ thoroughly explained the difference between GRAD rates

as they are measured federally and by the department of CA.

b. CSI Professional Learning Committee

Our current goal is by the end each school year, beginning with the 25-26 year, our charters will increase the Federal Graduation Rate by at least 1% annually by identifying and providing targeted interventions—including Tutoring, credit completion monitoring, and personalized graduation planning—to all 4th- and 5th-year high school students.

What could our students do? Find out what year of HS they
